This is in response to Paper filed on 10 August 2004.

I. This is a very bad case of practices before the Office. One mayor mistake after another that prevents a continuing examination procedure to go forth ward.

II. Both set of claims 32-56 on the record are rejected under 35 U.S.C. 112, second paragraph, as being indefinite in that there are two set of claims 32-56 on the record. (1) (The first set of claims 32-56 should have been canceled. No allowance of the specification will be indicated until a proper correction is made). (2) The second set of claims 32-56 should have properly numbered from 57, 58....

This rejection alone could properly made this Office action to be FINAL. However, the Office is given one more chance to make a proper correction.

III. Other issues have not been considered until a proper correction is made and resolved.

IV. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hoa V. Le whose telephone number is 571-272-1332.
